How to log in your online robotic training for Intuitive system(s)?

In order to be ready for SERGS Level 1/ GESEA Level 2 Robotic Certification

- If you plan to begin your robotic journey and apply for Robotic certification
- You need to go through the online training provided by intuitive
- This is a step by step procedure to reach that goal... follow the guide!

Step 1: Go to da vinci community website

 \bullet

And create an account

https://www.davincisurgerycommunity.com/group/onlinecommunity/home-auth

Step 3:Create an intuitive account

- This will be your account as an Intuitive user for the future, take it seriously as it will remain
- You will need to register your institution and create your simulation ID
- Go for it there

Your institution

Select system(s) you want to view

Step 5 Choose your learning plan

- Select the system you want to be trained on
- Select the software

(if you don't know, go for P8 if you have a X or Xi and for P9 if you have an Si model)

 Select Surgeon as a role and Technology focus

and go for it!

India Javiativi n/ n7 n6 664

Step 6: Complete online training

- You will have to go through a series of videos and quiz that will give you insight on the system and it's use.
- This will last approx 1h5m
- After you are finished, take a screenshot of your completion process (Like this, ideally with your name on it, like that)

Step 7 optional online assessment

- If you are already trained on the system, you should take the online assessment tool.
- This will give you a certificate of technical training
- Medical assessment is upcoming with GESEA/SERGS certification

Limitations of Intuitive-Provided Instruction: Online Training provided by Intuitive is limited to the use of its products and does not replace the necessary medical training and experience required to perform medical interventions. Any demonstration(s) during the online training on how to use Intuitive Technology to perform a particular technique or procedure is not the recommendation or "certification" of Intuitive as to such technique or procedure, but rather is merely a sharing of information on how other physicians and/or care team members use Intuitive Technology to perform a given technique or procedure. Intuitive 3 technology Training Program is solely for the purpose of training on the use of Intuitive Surgical, Inc. All rights reserved. Product and brand names/logos are trademarks registered trademarks of Intuitive Surgical or their respective owner. See www.intuitive.

don't forget to bring your certificate of completion with you

You now are ready to attend SERGS Level1/GESEA Level 2 Certification

Looking forward to meeting you there
